

Queens Park

Situated opposite the tranquil waters of Queens Park Lake, Dousta Galla Queens Park offers a refreshing, peaceful and natural environment close to family in the Moonee Ponds area.

Welcoming, comfortable accommodation

Containing 45 beds in single bedrooms with ensuite bathrooms, as well as 16 independent living units, Queens Park offers comfort, independence and on-site care in a light and bright modern building.

Common rooms are heated and air-conditioned, and space is available for individual and family use. Outside, an attractive courtyard provides easy access to fresh air.

we're with you

High quality care

Fully accredited by the government accreditation agency, Queens Park is a low care facility offering permanent residential and overnight respite services. Our experienced registered nurses and carers consider individual needs and work with families to ensure the best possible outcomes for residents.

Diverse lifestyle activities

Queens Park runs a diverse lifestyle program including cultural outings, bus trips and visits from local community groups.

Our specialist carers consult with residents to develop personalised programs. From physiotherapy and aromatherapy to hairdressing and dietary advice: Queens Park delivers a healthy and rewarding lifestyle.

Community connected lifestyle

Queens Park is just a short walk from the bakeries, cafes and medical centres of charming Puckle Street. The local swimming pool has an annual program of low impact fitness activities for seniors, and the racecourse, library and theatre are close by.

Queens Park acknowledges Moonee Ponds' rich multicultural heritage. We celebrate cultural events, serve traditional foods and employ carers who speak languages other than English.

Doutta Galla is a well managed aged care provider employing an experienced, enthusiastic team of nurses and carers. We deliver consistent, high quality care and we offer a broad range of accommodation options designed with resident comfort and individual needs in mind.

Recognised for our diverse lifestyle activities, we listen to residents and families, providing welcome support, advice and opportunities to get the most out of life. At Doutta Galla we're with you every step of the way.
