*We're with you*

**Doutta Galla has been part of the diverse Footscray community since 2008. Our strong local connections make life with us rich with familiar faces, places and festivities.**

**We are proud to be independent, not-for-profit and non-denominational, and to provide superior care for those who need us most.**

Staying connected to family, friends and community is important. Our Lifestyle and Activities program is designed to strengthen relationships and encourage residents to live life to the fullest. We work hard to provide:

- A homelike atmosphere, where relatives and friends are welcome
- An open door to local community, faith, cultural and service groups
- Connections to local schools, business, medical services and local councils
- Initiatives that nurture skills, such as our weekly Fun and Fitness classes and iPad program
- Programs that make life enjoyable, such as our weekly Spanish Social Group.

Doutta Galla Footscray is fully accredited by the Australian Aged Care Quality Agency. The quality of our care is also driven by our values and by our commitment to provide the best services to anyone who needs us, for as long as they need us. That means:

- We accept Concessional and Supported residents
- We are experts in culturally appropriate care
- Our highly trained staff are on duty 24 hours a day
- We offer a secure dementia support unit with dedicated, qualified staff and dementia specific programs and activities
- Our meals are cooked onsite, using the freshest ingredients
- Our 88 rooms are spacious and private with ensuite bathrooms
- We offer bright and social indoor and outdoor living areas
- We work for our residents and our community, not for shareholders.

*We welcome residents with dementia*

*You can stay with us as your care needs change*
