We're with you

doutta **galla**

Doutta Galla has been part of the diverse Moonee Ponds community since 1999. Our strong local connections make life with us rich with familiar faces, places and festivities.

We are proud to be independent, not-for-profit and non-denominational, and to provide superior care for those who need us most.

Staying connected to family, friends and community is important. Our Lifestyle and Activities program is designed to strengthen relationships and encourage residents to live life to the fullest. We work hard to provide:

- A homelike atmosphere, where relatives and friends are welcome
- An open door to local community, faith, cultural and service groups
- Connections to local schools, business, medical services and local councils
- Initiatives that nurture skills, such as our weekly resident Men's Shed and iPad program
- Programs that make life enjoyable, such as our weekly Café on Queens.

Doutta Galla Queens Park is fully accredited by the Australian Aged Care Quality Agency. The quality of our care is also driven by our values and by our commitment to provide the best services to anyone who needs us, for as long as they need us. That means:

- We accept Concessional and Supported residents
- We are experts in culturally appropriate care
- Our highly trained staff are on duty 24 hours a day
- Our meals are cooked onsite, using the freshest ingredients
- Our 45 rooms are spacious and private with ensuite bathrooms
- We support independent living in 16 self-contained units
- We offer bright and social indoor and outdoor living areas
- We work for our residents and our community, not for shareholders.

*We welcome
residents with
dementia*
