

Harmony Village

Whatever your background, you'll feel right at home at Dousta Galla Harmony Village

Our residents come from all walks of life, with a variety of interests. We have been part of the community since 1997, fostering local connections to create a strong sense of belonging for both residents and staff in our aged care residence.

Doutta Galla Harmony Village aged care has 79 spacious rooms with private ensuite bathrooms. The residence is nestled within landscaped gardens of the wider retirement village and handy to social and shopping activities.

We can't wait to say welcome to you.

Doutta Galla Harmony Village embraces cultural diversity and embraces Shepparton's rich multicultural heritage with many multilingual carers.

Our Shepparton aged care facility opened in 1997 and an additional brand new wing opened in 2018.

It is well located near to the Shepparton Marketplace shopping centre and specialty shops are within walking distance. It has the East Shepparton Lawn Bowling Club across the road and the popular Overlander Hotel close by.

Our residents have long-standing connections with the Shepparton community and enjoy keeping up with their usual habits and hobbies.

Our lifestyle program offers a choice of daily activities, cultural and religious celebrations, social outings and entertainment.

Other activities include gardening, pet therapy, an intergenerational program and armchair travel.
