

Yarraville Village

Whatever your background, you'll feel right at home at Dousta Galla Yarraville Village

Our residents come from all walks of life, with a variety of interests. We have been part of the community since 1997, fostering local connections to create a strong sense of belonging for both residents and staff in our aged care residence.

Doutta Galla Yarraville Village blends quietly into a heritage streetscape and is a short walk from Yarraville Gardens and the busy village centre.

We can't wait to say welcome to you.

Doutta Galla Yarraville Village is a close-knit aged care community where friendships flourish. Recognised for its diverse lifestyle activities, our residents value and enjoy their participation and contribution.

Our strong local connections make life with us rich with familiar faces, places and festivities. Residents share social and dining areas, and gather every day for activities like exercise, music and art.

A stimulating sensory garden is onsite and designed to connect with wonderful memories.

Yarraville residents are especially passionate about football. Many have lived and worked in Melbourne's West for many years and maintain strong connections to the local community.

Our lifestyle program offers a unique range of exciting events, where families and community members join in to celebrate festivals and cultural events.
