

Footscray

Whatever your background, you'll feel right at home at Dousta Galla Footscray

Our residents come from all walks of life, with a variety of interests. We have been part of the community since 2008, fostering local connections to create a strong sense of belonging for both residents and staff in our aged care residence.

Doutta Galla Footscray is centrally located on Geelong Road, designed over two levels with generous communal spaces, accessible courtyards and balconies, and every room is spacious with a private bathroom.

We can't wait to say welcome to you.

Doutta Galla Footscray is located close to Footscray station, the residence is only minutes from Footscray's famous market and gardens, the Docklands and Melbourne's CBD.

We foster a sense of belonging and community, embracing the variety of cultures and languages we have at our aged care home. Our residents gather in light-filled social areas for our daily lifestyle programs including weekly themed social groups, intergenerational activities and fitness

classes. We offer activities that nurture new hobbies and skills and encourage friendships and social connections to flourish.

We have an open door to local community, faith, cultural and service groups with many connections to local schools, businesses and medical services.

We are proud of the diversity of our home, where people from all cultures, nationalities and faiths are leading the way in culturally appropriate care.

Our rooms

Doutta Galla Footscray was opened in 2008 accommodating 88 residents, with 70 single rooms and 9 shared.

The residence offers a mix of care options including permanent and respite care and secure care for people living with dementia provided by qualified staff who offer tailored programs and activities.

The bright and sunny indoor and outdoor living areas bring our residents together for enjoyable gatherings and social activities.

Doutta Galla Footscray is an aged care residence for people who value their independence and quality of life, and who enjoy social connections with cultural diversity.
